ABOUT OUR PROGRAM

For over 35 years, the Colonie Boys Soccer has raised money to support our soccer program and approximately **125 athletes annually**.

Sponsorships are critical fiscal resources that enable the soccer program to provide equipment, programming, resources and opportunities to our student athletes that are not provided by the school district or athletics department.

WHAT DO YOU GET?

- A 6ft x 3ft professionally created sign with your company's logo and contact information
- Your company's logo added to the Colonie Boys Soccer website
- Opportunities for a full-page advertisement in our banquet program
- Invitation to and a personal thank you at our end of season banquet

WHO WILL SEE YOUR SIGN?

Each season thousands of local athletes, families and community members visit our soccer fields for games and activities. Your company's information will be prominently displayed on the fences around the Varsity field.
